Why Piramal Glass

Piramal Glass Limited (PGL) provides turnkey solutions for glass packaging in over 54 countries for the Specialty Liquor, Beauty, Pharmaceutical, and Food & Distribution markets. We have glass bottle manufacturing and decorating facilities in India, USA and Sri Lanka & marketing offices in Mumbai, Paris, Sao Paulo, Colombo and Dayton.

Piramal Glass USA (PG USA) is the US subsidiary of PGL and a vertically integrated company. We have a glass manufacturing operation in Park Hills, Missouri and a decoration facility in Williamstown, New Jersey. Supplementing these operations are our warehouses: on the West Coast in Santa Fe Springs, California; in the heartland of the country in Park Hills, Missouri; and on the East Coast in Dayton, NJ (the home of our US corporate and marketing office).

PG USA offers a wide variety of Industry Standards, Piramal Proprietary Designs and custom designed molds to customers ranging from emerging start-up companies to large multinationals. We provide high-quality shelf stock bottles that will enhance your product. These in stock containers will facilitate quickness to market and reduce initial launch costs. Should your brand require a custom design whether it be the altering of an existing stock mold or the building of a new custom mold, we offer digital product and engineering services that take your design from concept to delivery. Additionally, we provide a variety of innovative decorating and labeling processes to complement our glass bottles and add value to your brand.

PG USA provides the following value added services:

- Screen Printing
- Spray Coating
- Acid Etching/Frosting
- Ink Transfer
- Hot Foil Stamping
- Pad Printing
- Pressure Sensitive Labeling
- PVC Coating
- Gluing
- Custom Re-Shipper Packaging
- Caps and Brushes for Particular Products (nail enamel, dropper bottles etc)
